<p>Classes are invited to get together with their partner class and join in some self elected activities. The lists with partner classes are issued earlier this year so that classes can get together in the weeks prior to the Culture Week. Suggestions for project research work could be:</p> <ol style="list-style-type: none"> 1. Travel or holiday information for countries other than your own. 2. Carnival is celebrated across the world. How? <p>More information to follow.</p>
