

Joint Lunch

Thursday 16 February 2012

International Culture Week

Dear Parents,

In the week of February 13 till February 17 our school will be immersed in the International Culture Week. Many different events and activities will be taking place to celebrate our diversity of cultures and nationalities. The complete programme and other information on the week can be seen on the school's website <http://www.afnorth-is.com>

The organizing committee would like to ask for your assistance in one of our activities. On Thursday 16 February we are planning our annual joint lunch at school. This means that the HS students and the MS students, including the German section, will join the elementary children in their classrooms for lunch. To make this event run smoothly, we ask that all of our children/students bring a packed lunch from home as **the cafeteria will be closed on this day.** We would be grateful if you could ensure that your child/children bring their lunch to school in the decorated lunch bags made by the ES children. These bags will be issued to the ES classes together with the info package and distributed to the HS/MS classes during Culture Week.

The lunch will take place between 11.30-12.00 hours. The committee believes this is a very important and special opportunity for the younger children and the older students to meet and get to know each other in a fun, international setting.

Thank you for your cooperation and we look forward to making this a special event.

The International Culture Committee.
