

Meeting S and D starts with a little game,

-going together into two groups, introduce partner two facts of partner to group after two minutes of talking with each other Deputy Heads: Kaley Harless from AFNORTH International School and Nellie Sittig Neues Gym. Bochum

they use a hammer

Speed Game: sweets when succeed

people talking, not very quiet, people coming late, no reaction from Deputy head, throw sweets at people possibly hurting them

different interests but still things in common... language and sports rather fast Game play everybody possible to tell at least two facts about partner

nice atmosphere, everybody talking when told to, many people from Germany,

then presidents coming in, then applauds

"Some very interesting people"

progressive party of democrats

– onehundredeightyfive members

general ideas: equality, no gasps, transpirity, making EU "big happy family" work closely with union/NGO's, inegration,

– "Everybody is equal and everybody gets an equal chance."

Nellie Sittig

delegate last year much more fun as head, take part in every discussion

lied it, wouldn't come back when didn't enjoy

a bit unprepared last year this year better thanks to meeting in Aachen it was work but also fun

A glimpse into the work of the SandD

equality also in the fraction meetings of the S and D

They want to make the Ariab World Democratic, completely in favor, have to consider economically problems as well considering Arab as oil land,

Growth problem

new system to deal with problems needs to be developed have to help countries in crisis, keep countries almost in crisis from collapsing too,

Education

Decrease illiteracy rate, not really trying to change it, don't think it's fair but also don't want to change it blaming a lack of student motivation

Against nuclear power different energy sources
